SUBJECT: GOP REQUESTS SUPPORT FOR UNHRC CANDIDACY

11. The Foreign Ministry has presented the Embassy with diplomatic note 22-6-GG/71 announcing Peru's candidacy for the United Nations Human Rights Council (HRC) for the period 2011-2014, and requesting USG support for Peru's candidacy. We have emailed scanned copies of the diplomatic note, its accompanying aide memoire, and informal translations of both documents to the Peru desk. Embassy requests the Department's guidance in providing a formal response to this diplomatic note.
